

City of Goodhue Residents
Garbage/Recycling

1. Thursday, January 9, 2014, Gibson Sanitation will officially begin using the new garbage & recycling program.
2. Please have new cans out, as described on the sticker, by 7am.
3. All recycling, as described on the blue sheet, may go unsorted into the blue can.
4. Items that aren't placed in the can will not be picked up. There will only be one person that is driving the truck & operating the arm. The driver will not leave the vehicle to hand pick up garbage.
5. Call City Hall to make arrangements if another can is needed. 651-923-4310.
6. If items are packed so tightly that they do not fall from the can when tipped, the full container will be left at the residence.
7. Due to power lines, Gibson will not pick up in alley ways.
8. Do not put stain, paint, hazardous waste or yard waste in containers.
