

CITY OF GOODHUE
ORDINANCE NO. 165 _____
RESTRICTING USE OF METAL ROOFING IN THE CITY OF GOODHUE

The City Council of the City of Goodhue hereby ordains as follows:

- A. Metal roofs are prohibited, unless they comply with the following:
1. All metal roofs shall not have exposed fasteners; semi-concealed fasteners on a facade or any fastener system that does adhere directly to the support system.
 2. All metal must be high-quality commercial thickness/weight (for example, the minimum for architectural steel panels is .024 thickness, architectural aluminum panels is .032 thickness and architectural cooper panels is 16 ounce sheets, and the equivalent in other metals.)
 3. Any metal must be treated with a factory applied color coating system to prevent fading and degradation.
- B. If a resident wishes to use a metal roof, application shall be made to the City Council who shall review the specifications and project plan to verify that the proposed metal roof complies with the requirements herein.

Approved by the City Council for the City of Goodhue on this 14th day of June 2017.

Kerry D. Bien, Mayor

Richard Gorman, Acting City Clerk
